BALINA POOL VILLA

- These natural, quaint villas are designed as a balanced combination of modern and traditional Thai character with Balinese influence.
- These villas are built for comfort and relaxation. Its expansive panoramic windows offer stunning views of the swimming pool.
- The interior is filled with tranquility and displays a wonderful sense of privacy. Native Southeast Asian decorations create an enchanted atmosphere of peace and coziness.
- You can get as creative as you want with your own private garden by surrounding yourself with tall palm trees and exotic plants.

MASTER PLAN

TYPICAL POOL VILLA PLAN

Tropical Paradise

Explore the true wonders of Phuket when you escape the overcrowded touristy hotels and travel to the southernmost point of the island. The Rawai/Nai Harn area is a true gem of Thailand which offers its residents and visitors many natural attractions, pristine sandy beaches, breathtaking sunsets, as well as outstanding nightlife and entertainment. There is never a dull day here. Whether you enjoy diving, trekking, yoga or just relaxing on the beach, you will always find activities to your liking.

Location

The villas are right in the middle of a very popular, yet secluded Rawai/Nai Harn area. The beautiful white sandy beach of Nai Harn is only a short 20-minute walk. For scenic viewpoints, Phuket's Promthep Cape and the local Yanui Beach are just under 2 km. from the villas. You can find local seafood restaurants along the beachfront or use the Rawai Beach as a starting point to do some island hopping. You will find various amenities that promote a comfortable lifestyle, such as Home Pro, Villa Market and Makro supermarket, that are approximately within a 10-minute drive from the villa.
